COMPANY: Jerry Bruckheimer Films

GENRE: Action/Adventure/Comedy/Fantasy

SUMMARY: *The movie was an action-packed adventure. Johnny Depp brings back even more swagger to the role of Captain Jack Sparrow and Keith Richard's cameo is great. The story was full of plot twists and multiple storylines. At times this made it difficult to follow. Even though the movie was not perfect, it was fun to watch. Fans of Pirates of the Caribbean will enjoy this movie.*

Now

Cellphones

Almost all cell phones today are touch screen and can basically do anything a computer can. They now are all also small enough to fit in your pocket.

Vans

The shoe brand Vans has been making shoes since 1966, but for some reason in the past year their shoes have skyrocketed in popularity. They have a wide variety of shoe designs available at most stores.

Blu Ray

Blu-Ray players were designed to surpass DVD players in video resolution. Blu-Ray disks are able to 25 GB per layer and can play at 60 frames per second.

Then

Old 80s Cell Phones

Cell Phones In the 80s were rather large and bulky. Most of them were usually stored in satchels or purses and actually gave off radiation due to the battery.

Crocs

Crocs were popular back in the early 2000s and mostly worn by children. Almost everyone remembers these horrid sandal excuses and most of us will never talk about ever wearing them.

VCR/VHS

VCRs and VSH tapes were commonly used in the 80s through 90s and were later replaced by DVD players. DVD players were even replaced by Blu Ray.
